The Brilliance & Beauty Of Sunbrella®

 sunbrella®

**Welcome to Shine.** Our 2015 lookbook explores gorgeous new styles and creative ideas that are sure to inspire. Create a relaxing oasis filled with sophisticated colors and soft, luxurious fabric or design a casual space where anything can—and will—happen.

**Enjoy the comfort of the great outdoors.** Fresh air, warming sunshine and pure beauty—they're all just outside your door. With bold colors, bright whites and classic patterns, you can create welcoming, intimate spaces with a distinct sense of style.

**Decorate with shade.** In the heat of the afternoon, a shaded respite awaits. Awnings and roller shades can transform outdoor spaces with a sophisticated design that marries form and function. View more creative shade solutions for your home at [sunbrellashine.com/transform](https://sunbrellashine.com/transform).

Retractable awnings and roller shades don't just impact the look of your home—they can affect your power bill too. Let the sun in during the winter to warm the house, and keep things cool and shaded during the summer.

**Have fun with color.** In the backyard, anything can happen. Whether you're enjoying a quiet moment or a rousing game, bright, lively colors and stripe patterns from the Sunbrella Icon Collection create stunning outdoor spaces that are as flexible as they are beautiful. Explore all of the 1960s- and 1970s-inspired fabrics from the Sunbrella Icon Collection at [sunbrellashine.com/1961](http://sunbrellashine.com/1961).

Use pillows to add style and comfort to outdoor spaces. With pillows covered in Sunbrella, you can create a welcoming retreat that stands up to the elements.

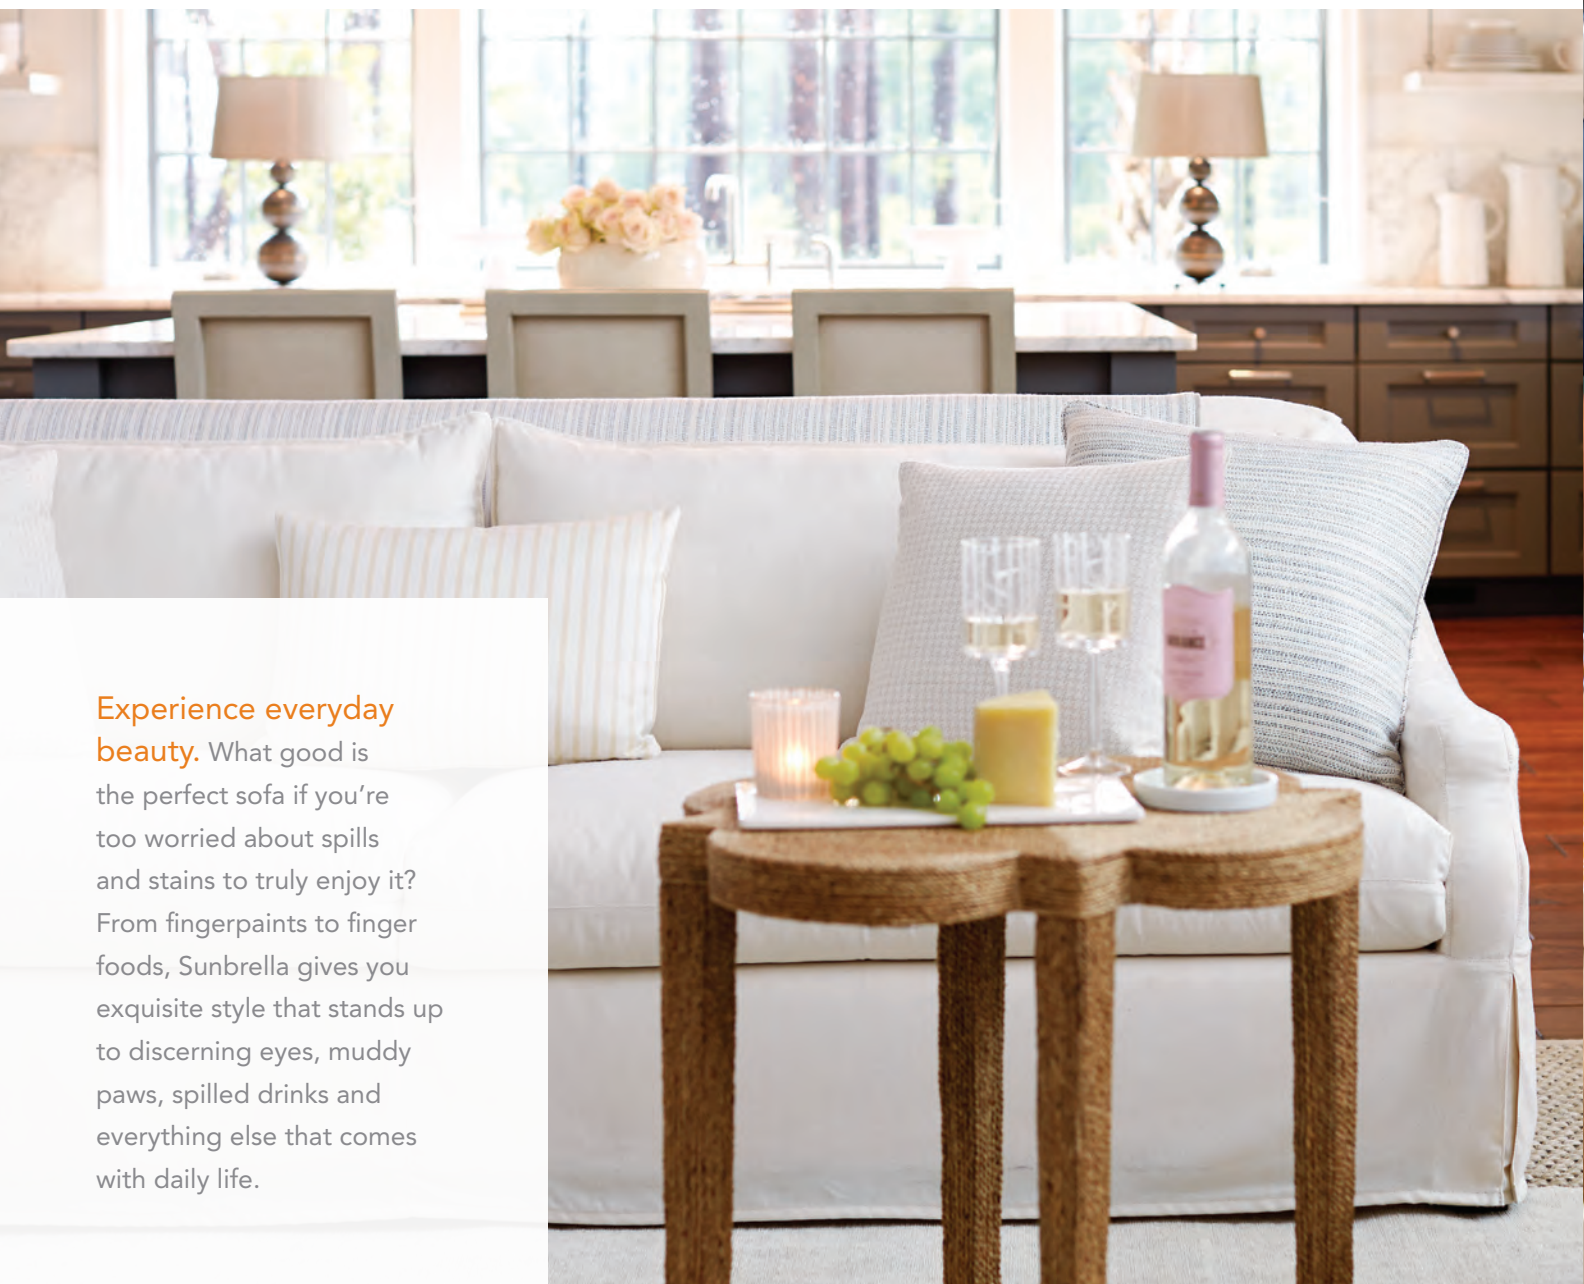

**Design spaces that pop.** It's easy to create an eye-catching focal point that puts your favorite pieces front and center. Simply pair neutral fabric and white furniture with vibrant colors and charming patterns to let your unique style shine through.

Discover more styles. When you work with an interior designer, you gain access to thousands of Sunbrella fabrics that are available exclusively to the design trade. Experience everyday beauty. What good is the perfect sofa if you're too worried about spills and stains to truly enjoy it? From fingerprints to finger foods, Sunbrella gives you exquisite style that stands up to discerning eyes, muddy paws, spilled drinks and everything else that comes with daily life.

Not sure how to clean a certain stain? We've got you covered. Visit [sunbrellashine.com/clean](https://sunbrellashine.com/clean) for a complete care and cleaning guide, helpful videos and a stain reference chart.

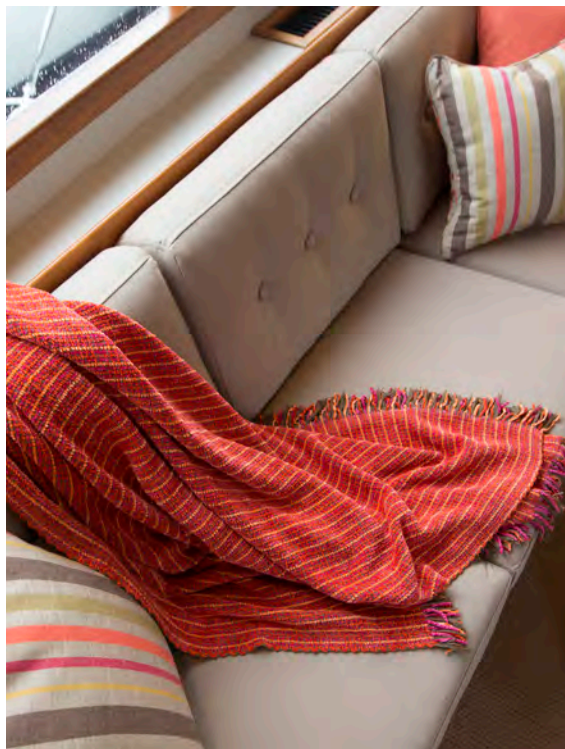

Explore the world and your own sense of style. Make a statement with strong colors and classic patterns that add brightness and energy to small spaces. Here, striped piping accentuates cheerful cushions, paying tribute to the unexpected pleasures of life on the road by adding a touch of whimsy to a polished interior. ### Feel at home on the water.

Relax as you soak in the cool breeze and listen to the gentle lapping of the water. Leave the world in your wake as you push your boat to the limit and experience the thrill of a new catch. Whatever your speed, whatever your style, Sunbrella delivers the comfort you need to enjoy the freedom of life on the water.
